b. Market Manager's Report.

"The market has now moved to the Brewery Street Car Park temporarily and is a fairly comfortable fit. The move went quite smoothly, only two vehicles were left in the car park overnight. A lot of people said that they liked the new location, some complained at the lack of people in the High Street. One lady was extremely angry about the move and said that she would call into the Council Offices to complain. More 'A' boards have been offered to increase the advertising of the new location".
