Agenda item 10 - Skate Park Event

What you get:

The skate events are massive, they are jammed pack sessions with music and a PA system carried out by ATB Shop in Swindon.

ATB Shop runs free tuition, games and competitions over a 3-hour period for scooter riders and skateboarders. They hand out prizes, give away goodies in competitions and throw outs and bring along loads of hire equipment for everyone to use.

On average they have about 40-60 children attend over the entire sessions which we run. Some Parishes and parks are smaller but we can look after 40-60 children if needs be.

Everyone's welcome to take part from young toddlers to 18-year-old pros! Parents can even have a go with their children if they would like!

Lots of children take up new sports such as skateboarding and scooting after our events which has led to children becoming healthier and more active. The list is endless as to why these events were so important for health and mentality.

These events have also been cutting down anti social behaviour in the area. Local residents have commented on how much of an improvement there has been with youths locally since our events started!

Events are £400 for three hours and provision of food and drink is £50 extra = £450

Available dates:

Saturday 22nd of July, 12th of August, 19th of August

Wednesday 2nd August, 9th August, 30th August

Friday: 18th August, 25th of August

Recommendation:

To engage ATB Shop to hold an event at HTC Skate Park and provide food and drink at a cost of £450.00
